Kirwan Institute Global Justice Program Hosts Presentation on Food Security

Kirwan Institute Senior Research Associate Elsadig Elsheikh and Graduate Research Associate Wendy Ake will be reviewing the project for the Food Innovations Seminar Series entitled “Can Africa Survive Land Deals?” will be the subject of a presentation of the Food Innovations Seminar Series by on Friday, November 4, 2011 at 11:30 a.m., in [252 Campbell Hall](#). The presentation will review the Kirwan Institute’s Large Scale Land Acquisitions Mapping Project which will examine the impact of foreign investors’ acquisition of millions of hectares of arable land in Africa since 2001. Among other factors, the project will study the benefits and impacts of foreign land investments on specific communities and countries in terms of food security, as well as social and ecological-biophysical impacts. Learn more about the [Kirwan Institute Global Justice Program](#).
