---

## Quantitative Methodology Center 2022 Conference

### Why Quantitative Research Matters:

*An Interdisciplinary Approach Toward Equity and Capacity Building from Local to International Reach*

June 1–2, 2022 (Hybrid) | #QMC22OSU

The Fawcett Center at The Ohio State University

[qmc22.ehe.osu.edu](http://qmc22.ehe.osu.edu)

---

Hosted by the [Quantitative Methodology Center \(QMC\)](#)  
College of Education and Human Ecology  
at the Ohio State University

Featuring notable speakers:

- **President Freeman Hrabowski III** of The University of Maryland, Baltimore County, a transformational leader in producing minority scientists and engineers over the last 3 decades
- **Dr. Jean-Claude Brizard** of Digital Promise, an innovative leader in producing the latest learning science research to improve public education
- **Dr. Fay Cobb Payton** of North Carolina State University, a renowned leader in translating research into solutions in areas such as minority education, health, and A.I.

We welcome both academic and non-academic submissions that:

- Address equity issues in quantitative research
- Highlight capacity building efforts at local and international levels
- Showcase interdisciplinary applied quantitative research
- Develop capacity and equity for our world

## Submission Deadline extended to February 12, 2022

Submit your abstracts at:  
[go.osu.edu/qmc22submission](http://go.osu.edu/qmc22submission)

THE OHIO STATE UNIVERSITY  
COLLEGE OF  
EDUCATION AND HUMAN ECOLOGY

Co-Chairs: Beverly J. Vandiver, PhD  
Brian J. Timm, M.A.
